

ECO

NON RINSE DISINFECTANT

DESCRIPTION

An environmentally responsible solution designed to prevent bacteria growth on food contactable surfaces. A highly effective solution that does not require rinsing away when used correctly. It can be used to sanitise benches, equipment, utensils, etc. Prepared in spray bottles or buckets for soaking.

DIRECTIONS

General Sanitising:

Dilute 1:70 with clean water and then spray on to surface and wipe away with a clean cloth.

Utensil Soaking: Dilute 1:40 with clean water and replace whenever solution becomes soiled.

Rinse free Sanitising:

Dilute 1:20 with clean water and the spray on to surface and allow to drain and dry.

AREAS TO USE

Food area sanitiser.

FRAGRANCE

Odourless.

SAFETY

WARNING: MAY CAUSE AN ALLERGIC SKIN REACTION. CAUSES SERIOUS EYE IRRITATION.

PREVENTION: Avoid breathing dust, fume, gas, mist, vapours or spray. Wash hands, face and all exposed skin thoroughly after handling.

Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/protective clothing including eye/face protection.

RESPONSE: IF ON SKIN: Wash with plenty of water and soap. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation or rash occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

STORAGE & DISPOSAL: Store in a cool, dry, well-ventilated place and out of direct sunlight. Store away from foodstuffs. Store away from sources of heat and/or ignition. Intended for industrial and commercial use only. For further information refer to the SDS. In emergencies call 000.
