PRODUCT INFORMATION SHEET

SYMBIONIC

INDUSTRIAL CITRUS HAND CLEANER

DESCRIPTION

A blend of surfactants, fine abrasive materials and orange oil, which combined makes the ideal cleaner for industry. Giving a great result especially in workshops for mechanics, painters, or any industry use.

DIRECTIONS

Place a small amount on hands and rub in well, then rinse off with clean water. May also be used when no water is available simply by using a dry towel to wipe away any excess product and grime.

Do not mix with any other chemical.

Store in a cool area away from direct sunlight.

AREAS TO USE

Workshops, industrial use.

SAFETY

WARNING: CAUSES SERIOUS EYE IRRITATION.

PREVENTION: Wear eye/face protection. Wash hands thoroughly after handling.

RESPONSE: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice.

STORAGE & DISPOSAL: Store in accordance with local regulatory requirements. Dispose of contents/-container in accordance with local regulations. Intended for industrial and commercial use only. In emergencies call 000. For further information refer to the SDS.
