# PRODUCT INFORMATION SHEET

# WHITE KNIGHT

## CHLORINATED CLEANER

### DESCRIPTION

A chlorinated product for the cleaning and sanitisation of food preparation areas and pre-soaking of cutlery. Also used as a laundry pre-soak for white cotton fabrics.

### DIRECTIONS

General Cleaning: Dissolve 20 grams to 1 litre of water at high operating temperatures to effectively remove organic residues and stains.

Rinse all areas completely after use.

Do not mix with any other chemical.

Store in a cool area away from direct sunlight.

### AREAS TO USE

Washing clothing, linen and towels.

### FRAGRANCE

Chlorine.

### SAFETY

**DANGER:** CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. MAY BE CORROSIVE TO METALS.

**PREVENTION:** Do not breathe mists. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear eye / face protection. Keep only in original container.

**RESPONSE:** IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTRE or doctor.

**STORAGE & DISPOSAL:** Store locked up, in a corrosion resistant container, in accordance with local regulatory requirements. Dispose of contents/container in accordance with local regulations. Intended for industrial and commercial use only. For further information refer to the SDS. In emergencies call 000.
